

Iowa Department of Human Services

Election of Iowa Family Planning Program

The differences in services provided between the Iowa Family Planning Program, Medicaid, and **hawk-i** have been fully explained to me. I understand that by accepting Iowa Family Planning Program benefits, I will be covered only for limited family planning services.

After being informed of the program differences, I voluntarily choose the Iowa Family Planning Program.

I understand that I can later change my mind and get Medicaid or **hawk-i** benefits, if I am eligible.
