

**RE: Notification Regarding Annuity Benefits**

Dear

This is to inform you that pursuant to 1917(e)(2)(A) of the Social Security Act, the state of Iowa must be a remainder beneficiary on any annuities to the extent of Medicaid benefits received in order to qualify for long-term care services. Under these rules, the payment of any Medicaid benefits will entitle the state of Iowa to the remainder benefits under the annuity.

\_\_\_\_\_ has applied for payment of long term care benefits and would like the appropriate change of beneficiary designation forms.

Sincerely,

\_\_\_\_\_
