Upon your request, CSRU reviewed the medical satisfaction<sup>1</sup> now in place. We found at least one of the conditions below still exists:

- The parent is an inmate of a prison.
- Due to the amount of the parent's net monthly income, a minimum order amount applies under the medical support table (see the child support guidelines).
- The parent gets Family Investment Program (FIP) or Medicaid (Title 19) or programs like these in another state.
- The parent lives with a child that he or she is legally responsible for and that child gets FIP, Title 19 or Healthy and Well Kids in Iowa (*hawk-i*) or programs like these in another state.

The medical support obligation of \_\_\_\_\_ remains satisfied.

If you have questions, contact CSRU at the phone number above.
