RE: {Member Name} {State ID}

This is in response to your call about a bill from {Prov Name} for services provided to you/member name on date of service (\$ amount).

Iowa Medicaid has not received a claim for the charges listed above. Our records show that you have Medicare as your primary insurance. All claims must be submitted first to Medicare and then to Medicaid. We spoke to the provider's billing office who has agreed to submit this claim to Medicare and then to Medicaid for payment consideration.

You should no longer be billed. However, please allow four to six weeks for processing. After that time, if you should receive another bill, please contact the Member Services Call Center again.
