--	--

This matter comes before the Court on the issue of suspension of support pursuant to Iowa Code Section 252B.20A.

The State of Iowa is represented by _____. For purposes of the support provisions suspended by this order:

the payor, _____, appeared by signing the *Affidavit Requesting Suspension of Support Based on Payor's Request*;

the payee, _____, was served with the *Affidavit Requesting Suspension of Support Based on Payor's Request* and the *Notice of Intent to Payee to Suspend a Child Support Obligation Based on Payor's Request* and did not timely object to the same and has not appeared;

the caretaker, _____, appeared by signing the *Affidavit Requesting Suspension of Support Based on Payor's Request*.

the assignee, _____, appeared by signing the *Affidavit Requesting Suspension of Support Based on Payor's Request*.

The Court, upon the record, including the *Affidavit Requesting Suspension of Support Based on Payor's Request*, being fully advised in the premises, **FINDS:**

1. The Court has jurisdiction over the subject matter and Iowa is the proper state in which to enter an order suspending support, according to Iowa Code chapter 252K. Entry of this order suspending support will not violate 28 USC 1738B.
2. A support obligation was previously ordered in this matter.

3. The Child Support Recovery Unit (CSRU) received and accepted a request from the payor to suspend support in this matter.
4. The order in this case requires ongoing support for the following children:

<i>Child's Initials</i>	<i>Year of Birth</i>

5. Ongoing support owed to the payee for the child(ren)
 - is assigned or redirected** in part or in whole to _____ and _____.
 - is not assigned or redirected** to any other party.
6. According to Iowa Code section 252B.20A, the payor and another named caretaker requested the assistance of CSRU suspending the ordered support provisions, as specified under paragraph one below. This request meets the statutory requirements and the payor and caretaker signed an affidavit attesting that as of the date the payor and caretaker signed the affidavit:
 - The children are currently residing with the payor a caretaker, who does not want CSRU services, and have been for more than sixty consecutive days.
 - There is no order in effect regarding legal custody, physical care, visitation, or other parenting time for the children.
 - The basis for suspension is reasonably expected to continue for not less than six months.
 - As of the date the payor signed the affidavit, the children for whom ongoing support is being suspended are not receiving public assistance pursuant to chapter 239B, 249A; or, if the children are receiving public assistance, the payor is considered to be a member of the same household as the children, for the purposes of public assistance eligibility.
7. By signing the affidavit, the payor, and a caretaker who does not want CSRU services consented to the suspension of support as specified below and acknowledged that any delinquency that has accrued prior to the effective date of this order is unaffected and remains a judgment and subject to enforcement under any means authorized by law.

THEREFORE, the Court, according to section 252B.20A, **CONCLUDES AND ORDERS**:

Cash medical support provisions will no longer apply to the children listed above in paragraph 1. This amount is listed in paragraph 7 below.

Cash medical support provisions will no longer apply to the children listed above in paragraph 1. The full amount of cash medical support is suspended, because all of the children were affected by the change in living arrangements.

Note: Any person previously ordered to provide health insurance must notify the appropriate parties in order to discontinue health insurance coverage and premium deductions.

2. The effective date of suspension is the date of filing of this order with the clerk of court. Any support that has accrued prior to the effective date of this order is unaffected and remains a judgment and is subject to enforcement under any means authorized by law.
3. Without further action by the Court, this suspension order shall become final and terminate support according to Iowa Code section 252B.20A(5). Support does not accrue while suspended unless it is found that the suspension was requested under false pretenses.

The ongoing support obligation(s) for the children named shall continue to be adjusted without further court order, to correspond to the number of children entitled to support, according to the terms of the underlying support order. INFORMATIONAL NOTICE REQUESTED BY THE CHILD SUPPORT RECOVERY UNIT

CSRU may ask the court to reinstate the suspended obligation if, within six months of the date this order is entered suspending the support obligation, either of the following happens:

- a) The payor, payee, or any assignee (including CSRU), requests that the support order be reinstated. Any request for reinstatement must be made in writing, to the local child support office that initiated the suspension. The request must state the reason for reinstatement and provide enough information to identify the order and parties involved.
- b) One or more of the children for whom support was suspended begins receiving public assistance benefits and the parent ordered to pay support is not a member of the public assistance household.

Unless reinstated, an order suspending support becomes final six months after entry. This **does not** mean that a new support order cannot be entered against either parent if conditions change later. It means a new order must be entered rather than reinstating the old order.
