Dear \_\_\_\_\_

Thank you for having participated in the Promoting Opportunities for Parents Program (POPP).

To qualify for the program and forgiveness of child support balances owed to the state you were required to complete all classes and receive a certificate of completion showing you have graduated.

We have not received a certificate of completion from your POPP provider. Therefore, you are no longer eligible to receive the child support incentives. Contact your POPP provider if you have any questions or want to complete the program. We encourage you to take steps to meet your child support obligation and continue to strive towards being a better parent.

Sincerely,
