

It is not too late to Sign Up for Child Tax Credit Payments

WHAT IS CHILD TAX CREDIT?

The American Rescue Plan increased the Child Tax Credit from \$2,000 per child to \$3,000 per child for children over the age of six and from \$2,000 to \$3,600 for children under the age of six, and raised the age limit from 16 to 17. All working families will get the full credit if they make up to \$150,000 for a couple or \$112,500 for a family with a single parent (also called Head of Household).

DID YOU FILE TAXES IN 2019 and/or 2020?

If you aren't already signed up, you can still sign up to get the Child Tax Credit. You won't lose your benefits if you do. These payments do not count as income for any family. So, signing up won't affect your eligibility for other federal benefits like Supplemental Nutrition Assistance Program (SNAP) and the Women, Infants, and Children nutrition program (WIC).

If you have at least one qualifying child and earned less than \$24,800 as a married couple, \$18,650 as a Head of Household, or \$12,400 as a single filer, you can use the <https://www.irs.gov/credits-deductions/child-tax-credit-non-filer-sign-up-tool>

Visit the [Internal Revenue Service \(irs.gov\)](https://www.irs.gov) to get the Child Tax Credit and receive missing stimulus payments.
