

Iowa MIECHV Overview

The Health Resources Services Administration (HRSA) provides funding to Iowa for the maternal, infant and early childhood home visitation (MIECHV) program. Contractors are required to use evidence-based home visiting models with fidelity and establish quantifiable, measurable benchmarks that demonstrate improvements in:

- Maternal and child health
- Childhood injury prevention
- School readiness and achievement
- Crime or domestic violence prevention and intervention
- Family economic self-sufficiency, and coordination with community resources and support

 Location of MIECHV Community

FISCAL YEAR 2022 SNAPSHOT

793 families served and 10,579 home visits provided

24% of primary caregivers did not have a high school diploma

56% of primary caregivers work full or part time

52% of families have a household income of 100% or less of federal poverty guidelines

98% of children are receiving their well child exams by their medical provider

95% of eligible parents were screened for postpartum depression

89% of parents practice early literacy skills with their child daily

Developmental Screening Results for MIECHV children

88% on track for communication

91% on track for fine motor

89% on track for gross motor

92% on track for personal/social development

91% on track for problem solving

Maternal, Infant and Early Childhood Home Visiting (MIECHV) Program System Building Activities

- Single Web-Based Data Collection and Reporting System – DAISEY
- Statewide Coordinated Intake System for Family Support Services and Early Intervention - IFSN
- Institute for the Advancement of Family Support Professionals – web-based professional development system and national credential for home visitors
- I2D2 - Integrated Data System to determine specific activities that produce better results for families
- Nine2Thrive Pilot – Coordinated intake co-located with prenatal health services
- PAEYS – Performance Incentive for Home Visitors and their Supervisors
- Phones4Families – Provides smart devices and data plans for enrolled families
- Workforce Evaluation – What keeps home visitors engaged in the field?
