MCO Informed

The Medicaid system sends enrollment information to the MCOs at monthend, for enrollment effective on the first of the upcoming month. This occurs approximately 2-5 days before the beginning of the month, allowing the MCO time to prepare and mail member ID cards.

MCOs have access to upcoming tentative assignments and choice prior to receiving the enrollment file.

MCO Outreach

The member's MCO begins sending outreach materials and the MCO member ID card within seven days of receipt of enrollment information.

Coverage Begins

Coverage is effective the first of each month. The effective date is determined by the MCO choice date cut-off.
