

Governor Terry E. Branstad
Lt. Governor Kim Reynolds
San Wong, Director

IOWA WEATHERIZATION PROGRAM NOTICE 13-02

TO: Executive Directors and Weatherization Coordinators
FROM: Gwen Howe, Bureau of Weatherization
DATE: May 8, 2013
RE: Changes in WX Appendix Manual

Purpose

To distribute new sections for the Weatherization Appendix Manual.

Cost Limits and Allowances - *Replace entire section with new.*

Please review all listed limits.

- The limits for water heater and furnace replacements have been permanently removed.
- The limits for water heater and furnace repair remain the same.
- Reflects the change in mobile home repair limits.

Forms - *Replace entire section with new.*

TI-86 - *Replace entire section with new.*

This section is actually replaced with tips for the TI-89 – please use the same section tab.

Lead Paint Protocol - *Replace entire section with new.*

This section is changed to reflect the policy changes made by IDPH regarding the definition of minimum area for minor repair and maintenance activities

Slate Siding Protocol - *Replace entire section with new.*

This section is changed to reflect the changes made in Program Notice 12-04.

DOE Rules - *Replace entire section with new.*

The Health and Safety Section will be updated once DOE has approved the 2013 State Plan.

The NEAT/MHEA Audit Manual section will be updated to reflect the switch to NEAT v8.9.
