IOWA WEATHERIZATION PROGRAM NOTICE 14-03

TO: Executive Directors and Weatherization Coordinators
FROM: Gwen Howe, Bureau of Weatherization
DATE: September 25, 2014
RE: Emergency weatherization

At the agency discretion, clients in an emergency situation (unsafe or non-functioning furnace) may receive services using HEAP Weatherization funds. Effective October 1, 2014, weatherization funds used for emergency situations are restricted to correcting the issues related to the furnace work only.

The weatherization file will be reports as closed-incomplete. Agencies may claim \$200 support associated with an incomplete home.
