I O W A

CONCUSSION AWARENESS MONTH 2022

An estimated 2.8 million people sustain a TBI annually with a greater majority being mTBI also known as concussion.

The development of this project is supported by contract 5883BI06 from the Iowa Department of Health and Human Services (Iowa HHS) Brain Injury Services Program.

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

PROCLAMATION

WHEREAS, Concussion is a type of brain injury that can be caused by a bump, blow or jolt to the head or body; and is also referred to as a mild traumatic brain injury. Concussions can result from a variety of causes including falls, sports and recreation injuries, military action and IED blasts, motor vehicle crashes, intimate partner violence and physical abuse, assault, or other trauma; and,

WHEREAS, A concussion can happen to anybody regardless of age, race or gender; and,

WHEREAS, The majority of concussions occur without a loss of consciousness; and,

WHEREAS, The majority of individuals experiencing a concussion will have symptoms resolve in 1-3 weeks. However, some people may have long-term symptoms resulting from their concussion such as Chronic Traumatic Encephalopathy (CTE); and,

WHEREAS, Providing academic adjustments, following graduated return to activity guidelines and using work accommodations are best practices for supporting individuals during concussion recovery;

NOW, THEREFORE, I, Kim Reynolds, Governor of the State of Iowa, do hereby proclaim September 2022 as:

Concussion Awareness Month

IN TESTIMONY WHEREOF, I HAVE HEREUNTO SUBSCRIBED MY NAME AND CAUSED THE GREAT SEAL OF THE STATE OF IOWA TO BE AFFIXED. DONE AT DES MOINES THIS 12TH DAY OF SEPTEMBER IN THE YEAR OF OUR LORD TWO THOUSAND TWENTY-TWO.

Kim Reynolds

Looking For A Rapid Review Of Sick Kids?

This live engaging emergency and critical care review seminar, presented virtually on Zoom, is for emergency and critical care nurses, as well as transport teams, who provide urgent care to pediatric patients and their families. This review program is designed to give the participant easy ways to remember important tips and tricks pertaining to pediatric emergency nursing. Any nurse or paramedic that wants to be more fully prepared for pediatric emergencies should complete this online review program. The instructor, Scott DeBoer, has entertaining and helpful videos, real-life case studies, and uses a unique game show style review session that is sure to leave attendees feeling more confident in their pediatric skills.

We guarantee you'll laugh as you learn!

Presenter

Scott DeBoer RN, MSN, CPEN, CEN, CCRN, CFRN, EMTP is an internationally recognized pediatric emergency nurse expert. Scott has been presenting to thousands of nurses around the world for over 20 years. In addition to his extensive training in emergency, critical care, and flight nursing, Scott has co-authored over 100 medical articles for nurses, paramedics, and respiratory therapists. Scott also wrote the very first CPEN Review book in 2010, and has since updated his CPEN book, "Putting It All Together," into its now

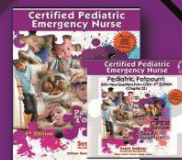

4th edition that includes over 1,200 emergency review questions. Scott created this online, highly engaging emergency and critical care review course for both intermediate and advanced participants alike. Often called the "Jim Carrey" of the nursing world, Scott's use of humor and personal experiences will help you review AND remember.
