

# Trauma Program Manager Educational Webinar

OCTOBER 22, 2021

**Jill Wheeler, RN, BSN, CCRN, SCRN, TCRN**  
Trauma Nurse Coordinator  
Bureau of Emergency and Trauma Services

# Housekeeping Items

## Update on ATS TPM Course

- ▶ Overwhelming response!
- ▶ 50 participants attended

# Housekeeping Items

- ▶ Review the Trauma Care Facilities Map
  - ▶ <https://idph.iowa.gov/bets/trauma/facilities-map>
  - ▶ Ensure your facility has the correct contact person and information

The screenshot shows the IDPH website's 'Trauma Facilities Map' page. The header includes the IDPH logo and the tagline 'Protecting and Improving the Health of Iowans'. A navigation menu contains links for Home, Calendar, News, Licensing, A-Z Index, Contact Us, and About IDPH. A search bar is located on the right. The main content area features a sidebar with a menu of links: Administrative Rules, Advisory Council, Resources, Trauma Data Registry, Trauma Disciplinary Actions, and Trauma Facilities Map. The central part of the page is titled 'Trauma Facilities Map' and displays a map of Iowa with numerous blue location pins indicating trauma centers across various counties. A search bar at the top of the map area prompts the user to 'Find a Trauma Center in Your /'. The map includes standard interactive elements like zoom in/out buttons, a home button, and a scale bar at the bottom.

## 2021 Trends in Trauma Conference

Friday, November 5 / 8 a.m. – 3 p.m. / Zoom

### A collaborative multidisciplinary approach to caring for trauma patients: TQIP Best Practices

#### PURPOSE

Provide an interactive forum for health care staff to discuss and learn best practice guidelines when caring for trauma patients.

#### CME/CONTACT HOURS/CEH INFORMATION

##### CME

MercyOne Des Moines Medical Center is accredited by the Iowa Medical Society (IMS) to provide continuing medical education for physicians.

MercyOne Des Moines Medical Center designates this live activity for a maximum of 5.5 credits-AMA PRA Category 1. Physicians should only claim credit commensurate with the extent of their participation in the activity.

#### CONTACT HOURS

Nurses will be awarded \_\_\_\_ contact hours from MercyOne Des Moines Medical Center, Iowa Board of Nursing Provider #17.

#### CEH

Mercy College of Health Sciences EMS Program will award \_\_\_\_\_ continuing education hours (CEH) of credit. CEHs earned will be applicable for renewal of an EMS provider certification/license in Iowa.

Other health care participants who successfully complete this course will receive a certificate of attendance.

MERCYONE.

#### OBJECTIVES

1. Discuss the management of common traumatic orthopedic injuries
2. Discuss general and specific imaging guidelines in the assessment of the trauma patient
3. Discuss the unique difficulties engendered when dealing with the sudden death of patients with whom the trauma provider has little to no pre-existing relationship
4. Discuss the unique features of specific types of injuries seen in the elderly such as rib and pelvic fractures and traumatic brain injury
5. Discuss massive transfusion guidelines in trauma
6. Recognize multimodal pain management techniques to consider across the spectrum of trauma care, from pre-hospitalization through discharge
7. Describe the goals of treatment in the setting of traumatic brain injury

#### REGISTRATION

The registration fee is \$20. Please register using this QR code.
