Topic 1

Mental Health

Mental Health

Goal 1

Identify vision and gaps in mental health services in Cass County AND establish an organization or coalition to lead or guide mental health work in Cass County.

Alignment with National Plans

Alignment with State/Other Plans

Mental Health

Objective 1.1

Over the next five years an organization or coalition in Cass County leading mental health work will be identified, and a vision and gaps in mental health services will be explored.

Baseline Year 2022 Baseline Value
No coalition

Target Year 2027

Target Value
Coalition formed, vision
and gaps in mental
health services explored

Data Source and Location

Mental Health

Strategy 1.1-1

Healthy Cass County, Public Health, and Iowa State University Extension and Outreach will be responsible for identifying and including organizations addressing mental health in Cass County and facilitating collaboration.

Strategy Type: Professional/provider-focused

Who's ResponsibleTarget DateHealthy Cass, Public Health, Cass ISU Extension5/3/2024

Mental Health
Strategy 1.1-2

Work with partners to prioritize and address gaps in services.

Strategy Source and Location

Strategy Type: Professional/provider-focused

Who's Responsible Target Date
Healthy Cass, Public Health, Cass ISU Extension 5/2/2025

Mental Health

Goal 2

Reduce stigma and increase support and understanding for both talking about mental health and getting help.

Alignment with National Plans

Make It OK - Stop mental illness stigma - "Make It OK" is a campaign to reduce the stigma of mental illnesses. The organizations listed here have pledged their commitment to change the hearts and minds about the misperceptions of mental illnesses by encouraging open conversations and education on the topic

Alignment with State/Other Plans

https://namiiowa.org/about-nami-iowa/mission/ - "Advocate at the county, state and national levels for non-discriminatory access to quality healthcare, housing, education and employment for people with mental illness."

Mental Health

Objective 2.1

Reduce stigma by implementing anti-stigma programming.

Baseline YearBaseline ValueTarget YearTarget Value202220275 anti-stigma programs

Data Source and Location

Mental Health

Strategy 2.1-1

Healthy Cass County will work with partners to distribute messages about the importance of reducing stigma across the county via social media, news outlets, and events such as food pantries, farmers markets, the county fair, etc.

Strategy Source and Location

Strategy Type: Community-focused

Who's Responsible

Target Date Healthy Cass 5/3/2023

Mental Health

Objective 2.2

Promote at least two research-based resources per year.

Baseline Year 2022

Baseline Value

Target Year 2024

Topic 2

Quality, Affordable Childcare

Quality, Affordable Childcare

Goal 1

Increase the availability of quality, affordable childcare.

Alignment with National Plans

Alignment with State/Other Plans

https://earlychildhood.iowa.gov/

Goal 1: Infrastructure: Promote a coordinated infrastructure to advance the early childhood system.

Goal 4: Equitable Access: Ensure that young children and families receive the services they need when they need them.

Goal 5: Quality: Improve the quality of early childhood services for young children and their families across early care and education; health, mental health, and nutrition; and family support services.

Quality, Affordable Childcare

Objective 1.1

Increase capacity of licensed centers and/or registered child development homes.

Baseline YearBaseline ValueTarget YearTarget Value20226272027700

Data Source and Location

Cass County provider capacity 2022: 627(http://ccmis.dhs.state.ia.us/ClientPortal/ProviderSearch.aspx

Related: 2021 kids 0-5 in Cass County 841. If the population continues to change at the rate it has over the past 5 years, there will be approximately 757 children age 0-5 in Cass County in 2026.

https://iowaccrr.org/resources/files/Data/FY21/Trend%202016-21/FY21%20Cass%20Co%205%20yr%20trend.pdf

Quality, Affordable Childcare

Strategy 1.1-1

Approximately 60-70 people in the Griswold area are working on the Griswold Child Development Center (breaking ground fall 2022, with plans to open to 85-100 kids by August 2023). The group continues to raise local funding and as of April 2022 has secured just over 50% of the \$2.3M in total project cost.

Strategy Source and Location

Strategy Type: Community-focused

Topic 3

Quality, Affordable Housing

Quality, Affordable Housing

Goal 1

Reduce the affordable housing with substandard conditions.

Alignment with National Plans

Reduce the proportion of families that spend more than 30 percent of income on housing — SDOH-04 https://health.gov/healthypeople/objectives-and-data/browse-objectives/housing-and-homes/reduce-proportion-families-spend-more-30-percent-income-housing-sdoh-04

Alignment with State/Other Plans

ESD-5 Neighborhood, the built environment, and safe, affordable housing: Decrease the percentage of substandard housing units.* https://idph.iowa.gov/healthy-iowans/plan

ESD-6 Neighborhood, the built environment, and safe, affordable housing: Increase the percentage of children living in neighborhoods with no poorly kept or rundown housing. https://idph.iowa.gov/healthy-iowans/plan (Data Source: Child and Adolescent Health Measurement Initiative. www.cahmi.org. Data Resource Center for Child and Adolescent Health. National Survey of Children's Health. Indicator 7.5. https://www.childhealthdata.org/browse/survey/https://www.childhealthdata.org/browse/survey/results?q=8802&r=17)

Quality, Affordable Housing

Objective 1.1

Reduce the percentage of occupied housing units with one or more substandard conditions.

Baseline Year	Baseline Value	Target Year	Target Value
2020	19.97%	2027	15%

Data Source and Location

https://idph.iowa.gov/Portals/1/userfiles/91/CHNA%26HIP/Data%20Reports/Cass%20-

%20CARES%20Engagement%20Network%20-%20Full%20Report%202020.pdf

(This indicator reports the number and percentage of owner- and renter-occupied housing units having at least one of the following conditions: 1) lacking complete plumbing facilities, 2) lacking complete kitchen facilities, 3) with 1 or more occupants per room, 4) selected monthly owner costs as a percentage of household income greater than 30%, and 5) gross rent as a percentage of household income greater than 30%. Selected conditions provide information in assessing the quality of the housing inventory and its occupants. This data is used to easily identify homes where the quality of living and housing can be considered substandard.)

Quality, Affordable Housing

Strategy 1.1-1

SWIPCO and other partners will work with City Council's throughout the county to pass ordinances pertaining to rental inspections. These inspections will address building health and safety concerns. The inspections hold landlords accountable to keep their properties livable, improving the health of those occupying the home.

Strategy Source and Location

Strategy Type: Policy-focused

Who's ResponsibleTarget DateSWIPCO and partners5/3/2027

Quality, Affordable Housing

Goal 2

Reduce lead -based paint exposure in Cass County housing.

Alignment with National Plans

Reduce blood lead levels in children aged 1 to 5 years — EH-04 https://health.gov/healthypeople/objectives-and-data/browse-objectives/housing-and-homes/reduce-blood-lead-levels-children-aged-1-5-years-eh-04

Alignment with State/Other Plans

https://idph.iowa.gov/Environmental-Health-Services/Childhood-Lead-Poisoning-Prevention

Quality, Affordable Housing

Objective 2.1

Reduce the percentage of children with confirmed elevated blood lead levels.

Baseline YearBaseline ValueTarget YearTarget Value20206.32%20274%

Data Source and Location

https://tracking.idph.iowa.gov/Health/Lead-Poisoning/Annual-Blood-Lead-Testing-Children-Under-6/Children-Tested

Quality, Affordable Housing

Strategy 2.1-1

SWIHTF will assist owner occupied households in improving health concerns by eliminating lead based paint hazards in their homes. Priority will be given to homes with children who have elevated blood lead levels.

Strategy Source and Location

Strategy Type: Demographic/socioeconomic-focused
