### State Plan Amendment (SPA) IA-23-0019 Enhanced Fee Schedule for Dental Services at Qualifying Iowa State-Owned Dentistry Clinics

Posted: June 22, 2023

The Iowa Department of Health and Human Services (HHS), pursuant to the requirements outlined in 42 C.F.R. §447.205, hereby gives notice of the following proposed action regarding changes to the reimbursement rates for dental services provided by qualifying Iowa state-owned dentistry clinics under the State Plan under Title XIX of the Social Security Act Medical Assistance Program (Medicaid).

#### Summary of Submission

Effective July 1, 2023, for dental services rendered by eligible professional service practitioners who are employed by, or under contract to, or who assigned Iowa Medicaid payments to a state-owned dentistry clinic will be eligible for rate payment adjustments. The non-federal share of any payments will be provided solely by intergovernmental transfers from the state governmental entity providing funding to and which oversees the Iowa state-owned dentistry clinic with which the affiliated physicians and professional services practitioners are associated.

The payment rate adjustments will be subject to federal upper payment limits. Aggregate rate adjustment payments available, without exceeding upper payment limits, will be determined by measuring the difference between:

- Fee-for-service amounts paid for services provided to Medicaid patients and
- Estimated payment amounts for such services if payments were based on the average rate of the top 3 commercial payors.

**Estimated Fiscal Impact:** The estimated increase in Medicaid fee-for-service (FFS) expenditures for State Fiscal Year (SFY) 2024 related to the enhanced fee schedule for dental services at qualifying Iowa state-owned dentistry clinics is:

Total Dollars:	\$ 34,926
Federal Dollars:	\$ 22,311
State Dollars:	\$ 12,615
