PUBLIC NOTICE

August 11, 2023,

The Iowa Council on Health and Human Service annual public hearing is scheduled for Thursday, September 14, 2023, beginning at 10:00 a.m. This year's meeting will be held virtually via zoom teleconference and will be open to all stakeholders across the health and human services system.

During its September meeting the Council has set aside time to hear from individuals and associations who may wish to offer feedback as Iowa HHS develops the budget for state fiscal year 2025. This year the Council requests that all comments and presentations be sent to our Council secretary prior to the meeting. If you would like to address the Council, you will be assigned a time to present via the zoom teleconference. As in the past, we are requesting each presenter keep their remarks to five minutes.

All comments, letters and presentation documents should be submitted by e-mail to Laura Myers at lmyers@dhs.state.ia.us with the email subject line 'Public Hearing.' All materials must be received by September 11, 2023, by 12 p.m. (noon). When sending in your written materials, please indicate if you would like to address the Council during the meeting and you will be provided a time and link to the teleconference.

Sincerely,

Rebecca Peterson, Chair
Council on Health and Human Services

Kelly Garcia
Director HHS
