

FINDINGS:

1. The Petition to Add Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia as debilitating medical conditions for which the medical use of medical cannabidiol would be medically beneficial was properly filed in the Office of Medical Cannabidiol within the Iowa Department of Public Health.
2. The Iowa Medical Cannabidiol Board has jurisdiction to accept and review the Petition to Add Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia as debilitating medical conditions for which the medical use of medical cannabidiol would be medically beneficial pursuant to Iowa Code chapter 124E.
3. Recommendations of the Iowa Medical Cannabidiol Board regarding the addition of medical conditions to the list of debilitating medical conditions for which the medical use of cannabidiol would be medically beneficial shall be made to the Iowa Board of Medicine for consideration, and if approved by the Iowa Board of Medicine, shall be adopted by the Iowa Board of Medicine by rule pursuant to Iowa Code section 124E.5(4).
4. Petitioner requested that the Iowa Medical Cannabidiol Board recommend the Addition of Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia as debilitating medical conditions for which the medical use of medical cannabidiol would be medically beneficial.
5. Petitioner was offered an opportunity to present information to the Iowa Medical Cannabidiol Board at its meeting on August 2, 2019.

6. Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia is a mixture of complex conditions, diagnoses, and treatment modalities.
7. Evidence-based medical literature indicating that the medical use of cannabidiol would be medically beneficial for patients diagnosed with Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia is lacking.

ORDER:

The Iowa Medical Cannabidiol Board hereby DENIES the petition for the addition of Schizophrenia, Borderline Personality Disorder, Rape Trauma, and Social Phobia to the list of debilitating medical conditions for which the use of medical cannabidiol would be medically beneficial.
