

following Findings and Order.

FINDINGS:

1. The Petition to Add Severe or Chronic Pain as a debilitating medical condition for which the medical use of medical cannabidiol would be medically beneficial was properly filed in the Office of Medical Cannabidiol within the Iowa Department of Public Health.
2. The Iowa Medical Cananbidiol Board has jurisdiction to accept and review the Petition to Add Severe or Chronic Pain as a debilitating medical condition for which the medical use of medical cannabidiol would be medically beneficial pursuant to Iowa Code chapter 124E.
3. Recommendations of the Iowa Medical Cannabidiol Board regarding the addition of medical conditions to the list of debilitating medical conditions for which the medical use of cannabidiol would be medically beneficial shall be made to the Iowa Board of Medicine for consideration, and if approved by the Iowa Board of Medicine, shall be adopted by the Iowa Board of Medicine by rule pursuant to Iowa Code section 124E.5(4).
4. Petitioner requested that the Iowa Medical Cannabidiol Board recommend the Addition of Severe or Chronic Pain as a debilitating medical condition for which the medical use of medical cannabidiol would be medically beneficial.
5. Petitioner was offered an opportunity to present information to the Iowa Medical Cannabidiol Board at its meeting on August 2, 2019.
6. Chronic Pain may be severe or moderate.
7. Patients diagnosed with Severe Pain may also be appropriately diagnosed as

experiencing Chronic Pain.

8. Medical cannabidiol may be medically beneficial for treating symptoms of patients diagnosed with Chronic Pain.

ORDER:

The Iowa Medical Cannabidiol Board hereby MODIFIES the petition received for the addition of Severe or Chronic Pain and recommends the addition of Chronic Pain to the list of debilitating medical conditions for which the medical use of cannabidiol would be medically beneficial.
