ECI Statewide Performance Measures – Effective July 1, 2023 Tool O

By Iowa Code, 256I.4(5) Adopt common performance measures and data reporting requirements, applicable statewide, for services, programs, and activities provided by area boards. The data from common performance measures and other data shall be posted on the early childhood Iowa internet site and disseminated by other means and shall also be aggregated to provide statewide information. The state board shall establish a submission deadline for the annual budget and any budget amendments submitted by early childhood Iowa area boards in accordance with section 256I.8, subsection 1, paragraph “d”, that allow a reasonable period of time for preparation by the area boards and for review and approval or request for modification of the materials by the state board.

This tool outlines the required data items by service type. Items highlighted in Yellow are changed measures and will be effective July 1, 2023.
