

Medicaid Eligibility

OMB Control Number 0938-1148

OMB Expiration date: 10/31/2014

Eligibility Groups - Mandatory Coverage Infants and Children under Age 19

S30

42 CFR 435.118
1902(a)(10)(A)(i)(III), (IV), (VI) and (VII)
1902(a)(10)(A)(ii)(IV) and (IX)
1931(b) and (d)

Infants and Children under Age 19 - Infants and children under age 19 with household income at or below standards established by the state based on age group.

The state attests that it operates this eligibility group in accordance with the following provisions:

Children qualifying under this eligibility group must meet the following criteria:

Are under age 19

Have household income at or below the standard established by the state.

MAGI-based income methodologies are used in calculating household income. Please refer as necessary to S10 MAGI-Based Income Methodologies, completed by the state.

Income standard used for infants under age one

Minimum income standard

The state had an income standard higher than 133% FPL established as of December 19, 1989 for determining eligibility for infants under age one, or as of July 1, 1989, had authorizing legislation to do so.

Yes No

Enter the amount of the minimum income standard (no higher than 185% FPL): % FPL

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for infants under age one to MAGI-equivalent standards and the determination of the maximum income standard to be used for infants under age one.

An attachment is submitted.

The state's maximum income standard for this age group is:

The state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

Medicaid Eligibility

- The state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.
- The state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.
- 185% FPL

Enter the amount of the maximum income standard: % FPL

Income standard chosen

The state's income standard used for infants under age one is:

The maximum income standard

- If not chosen as the maximum income standard, the state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of infants under age one under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(IV) (mandatory poverty level-related infants), 1902(a)(10)(A)(ii)(IX) (optional poverty level-related infants) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of infants under age one under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

Income standard for children age one through age five, inclusive

Minimum income standard

Medicaid Eligibility

The minimum income standard used for this age group is 133% FPL.

Maximum income standard

- The state certifies that it has submitted and received approval for its converted income standard(s) for children age one through five to MAGI-equivalent standards and the determination of the maximum income standard to be used for children age one through five.

An attachment is submitted.

The state's maximum income standard for children age one through five is:

- The state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- The state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Enter the amount of the maximum income standard: % FPL

Income standard chosen

The state's income standard used for children age one through five is:

- The maximum income standard

- If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

- If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age one through five under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VI) (mandatory poverty level-related children age one through five), and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Medicaid Eligibility

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age one through five under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

Income standard for children age six through age eighteen, inclusive

Minimum income standard

The minimum income standard used for this age group is 133% FPL.

Maximum income standard

The state certifies that it has submitted and received approval for its converted income standard(s) for children age six through eighteen to MAGI-equivalent standards and the determination of the maximum income standard to be used for children age six through age eighteen.

An attachment is submitted.

The state's maximum income standard for children age six through eighteen is:

The state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

The state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

The state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

The state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

133% FPL

Enter the amount of the maximum income standard: % FPL

Income standard chosen

Medicaid Eligibility

The state's income standard used for children age six through eighteen is:

The maximum income standard

If not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's highest effective income level for coverage of children age six through eighteen under sections 1931 (low-income families), 1902(a)(10)(A)(i)(III) (qualified children), 1902(a)(10)(A)(i)(VII) (mandatory poverty level-related children age six through eighteen) and 1902(a)(10)(A)(ii)(IV) (institutionalized children), in effect under the Medicaid state plan as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of March 23, 2010, converted to a MAGI-equivalent percent of FPL.

If higher than the highest effective income level for this age group under the state plan as of March 23, 2010, and if not chosen as the maximum income standard, the state's effective income level for any population of children age six through eighteen under a Medicaid 1115 demonstration as of December 31, 2013, converted to a MAGI-equivalent percent of FPL.

Another income standard in-between the minimum and maximum standards allowed, provided it is higher than the effective income standard for this age group in the state plan as of March 23, 2010.

There is no resource test for this eligibility group.

Presumptive Eligibility

The state covers children when determined presumptively eligible by a qualified entity.

Yes No

Presumptive Eligibility for Children	S16
1902(a)(47) 1920A 42 CFR 435.1101 42 CFR 435.1102	
<input checked="" type="checkbox"/> The state provides Medicaid coverage to children when determined presumptively eligible by a qualified entity under the following provisions:	

Medicaid Eligibility

If the state has elected to cover Optional Targeted Low-Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the higher of the standard used for Optional Targeted Low-Income Children or the standard used for Infants and Children under 19 (42 CFR 435.118), for that child's age.

If the state has not elected to cover Optional Targeted Low Income Children (42 CFR 435.229), the income standard for presumptive eligibility is the standard used under the Infants and Children under Age 19 eligibility group (42 CFR 435.118), for that child's age.

- Children under the following age may be determined presumptively eligible:

Under age

- The presumptive period begins on the date the determination is made.

- The end date of the presumptive period is the earlier of:

The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or

The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

- Periods of presumptive eligibility are limited as follows:

- No more than one period within a calendar year.
 No more than one period within two calendar years.
 No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.
 Other reasonable limitation:

The state requires that a written application be signed by the applicant, parent or representative, as appropriate.

- Yes No

- The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.
 The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

- The presumptive eligibility determination is based on the following factors:

- Household income must not exceed the applicable income standard described above, for the child's age.
 State residency
 Citizenship, status as a national, or satisfactory immigration status

- The state uses qualified entities, as defined in section 1920A of the Act, to determine eligibility presumptively for this eligibility group.

Medicaid Eligibility

List of Qualified Entities S17

A qualified entity is an entity that is determined by the agency to be capable of making presumptive eligibility determinations based on an individual's household income and other requirements, and that meets at least one of the following requirements. Select one or more of the following types of entities used to determine presumptive eligibility for this eligibility group:

- Furnishes health care items or services covered under the state's approved Medicaid state plan and is eligible to receive payments under the plan
- Is authorized to determine a child's eligibility to participate in a Head Start program under the Head Start Act
- Is authorized to determine a child's eligibility to receive child care services for which financial assistance is provided under the Child Care and Development Block Grant Act of 1990
- Is authorized to determine a child's eligibility to receive assistance under the Special Supplemental Food Program for Women, Infants and Children (WIC) under section 17 of the Child Nutrition Act of 1966
- Is authorized to determine a child's eligibility under the Medicaid state plan or for child health assistance under the Children's Health Insurance Program (CHIP)
- Is an elementary or secondary school, as defined in section 14101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 8801)
- Is an elementary or secondary school operated or supported by the Bureau of Indian Affairs
- Is a state or Tribal child support enforcement agency under title IV-D of the Act
- Is an organization that provides emergency food and shelter under a grant under the Stewart B. McKinney Homeless Assistance Act
- Is a state or Tribal office or entity involved in enrollment in the program under Medicaid, CHIP, or title IV-A of the Act
- Is an organization that determines eligibility for any assistance or benefits provided under any program of public or assisted housing that receives Federal funds, including the program under section 8 or any other section of the United States Housing Act of 1937 (42 U.S.C. 1437) or under the Native American Housing Assistance and Self Determination Act of 1996 (25 U.S.C. 4101 et seq.)
- Is a health facility operated by the Indian Health Service, a Tribe, or Tribal organization, or an Urban Indian Organization
- Other entity the agency determines is capable of making presumptive eligibility determinations:

	Name of entity	Description	
+	Rural Health Clinics	Must also be an enrolled Iowa Medicaid provider	X
+	Local Education Agencies	Must also be an enrolled Iowa Medicaid provider	X
+	Maternal Health Centers	Must also be an enrolled Iowa Medicaid provider	X
+	FQHCs	Must also be an enrolled Iowa Medicaid provider	X
+	Hospitals	Must also be an enrolled Iowa Medicaid provider	X

Medicaid Eligibility

	Name of entity	Description	
+	Physicians	Must also be an enrolled Iowa Medicaid provider	X
+	Family Planning Centers	Must also be an enrolled Iowa Medicaid provider	X
+	Screening Centers	Must also be an enrolled Iowa Medicaid provider	X
