

WIC Disaster Plan – Local Agencies

A. Purpose of Procedure

The central focus in service delivery during and immediately after a disaster by the Iowa WIC Program will be to:

- Restore WIC services to current participants as soon as possible.
- Provide services to the eligible population in the disaster-affected areas.

B. Scope of the Procedure

In the event of a disaster or emergency situation, the Iowa WIC Program places a central focus on service delivery for WIC participants. The state office and local agencies will implement the following procedures in the event of situations that disrupt services.

C. General Procedure

Local agencies must follow the requirements outlined in the “WIC Operational Plans during an Emergency” document which can be found on the WIC Web Portal and any additional guidance received by the Iowa Department of Public Health (IDPH).
