

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State: Iowa

ASSET VERIFICATION SYSTEM

- 1940(a)
of the Act
1. The agency will provide for the verification of assets for purposes of determining or redetermining Medicaid eligibility for aged, blind and disabled Medicaid applicants and recipients using an Asset Verification System (AVS) that meets the following minimum requirements.
 - A. The request and response system must be electronic:
 - (1) Verification inquiries must be sent electronically via the internet or similar means from the agency to the financial institution (FI).
 - (2) The system cannot be based on mailing paper-based requests.
 - (3) The system must have the capability to accept responses electronically.
 - B. The system must be secure, based on a recognized industry standard of security (e.g., as defined by the U.S. Commerce Department's National Institute of Standards and Technology, or NIST).
 - C. The system must establish and maintain a database of FIs that participate in the agency's AVS.
 - D. Verification requests also must be sent to FIs other than those identified by applicants and recipients, based on some logic such as geographic proximity to the applicant's home address, or other reasonable factors whenever the agency determines that such requests are needed to determine or redetermine the individual's eligibility.
 - E. The verification requests must include a request for information on both open and closed accounts, going back up to 5 years as determined by the State.

ASSET VERIFICATION SYSTEM

3. Provide the AVS implementation information requested for the implementation approach checked in Section 2, and any other information the agency may want to include.

Iowa now has a contract, ACFS 17-001, in place with Accuity Asset Verification Services, Inc. of Evanston, Illinois, to provide AVS services for Iowa Medicaid. Accuity will be paid 15% of the average monthly state dollar savings per member, per coverage group denied or cancelled, based on the prior state FY expenditures.

Iowa is in the process of developing an entry system in the current income maintenance eligibility system to link with Accuity's AVS to provide access for verification requests and receipt of verifications.
