

Tobacco Use Prevention and Control Commission Members,

The next regular Commission meeting is on Friday, June 4, at 10:00 a.m.

Please review the following paragraph for important details about the virtual meeting.

The entire meeting will be held via Zoom with the public invited to attend. Please login 5-10 minutes early in case you have login issues, so they can be resolved beforehand. When logging into the meeting all participants will be muted upon entry, this is very important to stay muted because background noise can make it difficult for others to hear. If and when you would like to comment or ask a question please utilize the chat box. To enable the chat box you will see a bubble at the bottom of your screen, click on that and it should appear to the right of your screen. To unmute yourself please click on the microphone bubble icon at the bottom of the screen and state your name before speaking. If you have issues logging into the meeting please email tabetha.gerdner@idph.iowa.gov for help. The meeting will be recorded.

We continue to work to improve the virtual meeting experience and appreciate your patience and continued willingness to try these new platforms.
