

Audiologist – Temporary Clinical License

Documentation Required for Licensure

This license is intended for the purpose of obtaining clinical experience needed for permanent licensure. Applicants cannot start supervised clinical experience needed for full licensure until the supervised clinical experience plan is approved by the board and the temporary clinical license is issued.

- Application and fee (\$120). **All application fees are nonrefundable.** To apply:

Create account, apply and pay the fee online at: <https://IBPLicense.iowa.gov/>

- Educational Requirements:

1. Official transcripts conferring a master's degree in audiology sent directly to the Board office from the college or university. **Please note:** Foreign-trained applicants should contact the Board office for educational requirements.
2. Official verification of completion of not less than 400 hours of supervised clinical training in an accredited college or university.

- Examination Requirements:

Results of the Praxis Examination.

- Verification of licenses held in other states (if any):

Applicants that have been previously licensed, registered or certified in any other state must provide official verification of licensure in the other state(s). The license verification must include license issue date, expiration date and any pending or past disciplinary action. The verification may be printed from another state licensing board's website if it contains all of the required information. If web based verification is not available, the verification must be send directly to the Board office by the state(s) where the applicant has been licensed, registered, or certified. If the applicant has never been licensed in another state, ignore this item.

- Completed and signed **supervised clinical experience plan** (SCE). Form can be found on the Board's website.

The supervisor must have an active, current Iowa license in good standing. If there will be more than one supervisor, a separate plan must be prepared by each supervisor.

Within 30 days of completion of the supervised clinical experience plan, please provide the completed and signed **supervised clinical experience report** (which can be found on the Board's website) to the Board office. A completed report must be submitted by each supervisor, if the applicant receives supervision from more than one supervisor.
